Railroad Death Rate Falling.

The best piece of rairoad news for some time is that the death and accident rate for the year ended Jury 30 is considerably lower than for the year before.

For some years now the best found-

ed criticism of our railroad manage-ment has been directed not at our

freight or passenger rates, at our speed or our service, but at the fact that our good service was obtained by

a reckless disregard for human life, as shown in the comparison with Eu-ropean roads. Our accidents have not

tandard, but the indications are that he publicity of the figures forced

through the interstate commerce com-mission is inducing the introduction of safety devices which tend to pro-tect the lives of passengers. The fig-ures for last year show 253 passengers

killed, as against 381 for the year be-

FREIGHTS ARE MOVING.

Central Vermont Does Some Switching Here and Shows Little Improvement. Two freights came south on the Two freights came south on the Cantral Vermont railway on Tuesday night, the first since the conductors and trainmen went on strike over a week ago. The first train arrived at New London at 8.45 o'clock and was made up of five loads and three empties. The second, in charge of Supt. William E. Costello, pulled into the yard at 11.15 o'clock. This train was composed of twenty-one loads. Both trains were from Palmer.

The contents of the cars of the freight were immediately loaded on board the freight steamer New York, which left the wharf in East New

board the freight steamer New York, which left the wharf in East New London Wednesday morning about 1.30 o'clock. The New York arrived at New London on its trip as usual with a light cargo of merchandise.

Aside from the binging of the freights and the derallment of a freight car there is little change in the strike situation in New London. All the northbound trains left on time Wednesday. Of the southbound trains only one was more than a few minutes late. This was the local from Palmer, which was forty minutes late.

which was forty minutes late. Considerable switching was done her on Wednesday afternoon, while at Montville it was reported that a car was derailed. There were freights both ways Wednesday.

Officers of State Rifle Team.

The recommendations of the board for the promotion of rifle practice that Major William M. Stark, ordinance department, be appointed team captain. Private George W. Chesley, Company D. Second infantry, appointed team coach; Captain Percy H. Morgan, quartermaster, Coast Artillery corps, appointed team spotter; First Lieutenant William J. Bradnack, Troop A. Cavalry, appointed range officer, and Captain Burgoyne Hamniton, Ninth company, Coast Artillery corps, Sergeant tain Burgoyne Hammiton, Kinth com-pany. Coast Artillery corps. Sergeant Howard S. Williams, Company D. Sec-ond Infantry, and Corporal Ernest C. Simpson, Company F, Second infantry, appointed members of the state team, are approved and the appointments recommended have been made by Ad-jutant General Cole.

Norwich Postoffice Neat. Major Washington Haverstick, the United States building inspector, re-cently visited the Norwich postoffice on a tour of inspection and stated t Postmaster William Caruthers that he could make a good report after seeing now neat the Norwich force kept the building, both in workroom and lobby. In contrast to Norwich, the inspec-tor found that the New London postoffice lobby presented an untidy ap-pearance from the careless way in which the public threw waste paper

Temperance Association Meets. There was a meeting of the Loyal Temperance association on Wednesday vening at the home of Louis Frazier Washington street.

The Roof in Summer. The sign in a New York real estate office, "Roof House to Rent," suggests the large possibilities of the roof area of that city. Perhaps this may event-New Hampshire's fairest villages in forty years old. The roadway which runs along the Hatch premises is completely obscured from the occupants of the house as the house is completely hidden from the travelers in the highway. Greenland's spruce hedge is certainly the most extensive thing of its kind which one will find in or about the ually serve urban needs to as great an extent as the boats in the waters of a Chinese city now increase the meas-ure of its accommodations. — Boston

ohn Liepold Passes Away After Long

Party for Miss Lillian Fleetwood.

John Liepold passed away at 8.15 o'clock Wednesday morning at his home on South B street. Death followed a long period of sickness. The deceased was born in Dodgeville, Mass., 25 years ago and was brought to Taftville when only an infant. He has always made this place his home. Up to the time Mr. Liepold was taken ill he was employed in one of the departments of the Ponemah mill. He was a member of the Ponemah Wheel club and was popular among his wide circle of friends and acquaintances in this place, who learned the news of his death with sincere regret. death with sincere regret.

The deceased is survived by his parents, Mr. and Mrs. John Nicholas Liepold, two sisters, the Misses Jennie and Kate Leipold, and three brothers.

TAFTVILLE

of the temporary injunction and was fully heard by the court. The judge in his memorandum of decision says: All that part of the temporary injunction relating to the defendant, John F. Carpenter, is dissolved. It does not appear that said Carpenter will or intends, if not restrained to pay over any part of the fund to any one who is not legally qualified and entitled to receive it.

The plaintiff claimed that the distribution of the estate should be according to the Connecticut law, while Mr. Perkins as defendant claims as Francis Perkins was a resident of New York it should be distributed according to the laws of the state where Adam, Henry and Adolph Leipold. All reside in this place. Miss Lillian Fleetwood of No. 5 North B street was given a pleasant birthday surprise party Saturday evencording to the laws of the state where he has taken out administration pa-pers and received ancilliary adminis-tration in this city. The effect of the decision is that Mr. Carpenter as the ing. There were twenty-one in party, cleven young men and young ladies, and all report a enjoyable time. Music and gr were the features of the evening, and at a late hour the hostess passed around light refreshments. administrator of the estate, could turn over the estate to Mr. Perkins as ancillary receiver, as the restraint is now removed. The case was a com-

Rhode Island, the local coast artillery-men are having plenty of excitement during their ten days tour of duty. On Tuesday the companies had sub-caliber practice, the Fifth and Thir-Mr. and Mrs. A. Desmarals and family of this place have moved to Glasgo, where Mr. Desmarals will work in the grocery store and meat market of teenth companies manning the five-inch guns at Batteries Crawford and Connell, the Third company being at Battery Wooster. The sub-caliber practice was to be continued on Wed-Word has been received by their friends in this place from Mrs. P. Gau-dette, Eugene Maynard and Alfred Ducharme, announcing their safe ar-rival in Canada.

An unusual call was sounded on Wednesday afternoon about 1 o'clock, when the companies were all summoned for fire duty. While on his way back from Watch Hill, Lieut. James F. Burdick discovered a fire on the veranda of Ryan's hotel, which was formerly the Peninsula house and situated just outside the reservation. The Third company, under command of Captain Coleman, was the first to reservation and was respond as an organization and was

of Captain Coleman, was the first to respond as an organization and was seen on the scene, Captain Coleman leading his command and could not be overtaken. The other companies as well as the regulars responded and bucket brigade was formed. After a half hour's work the fire was extinguished, but considerable damage was done the building.

Wednesday afternoon there was a seed of the property of the surrounding country is flat and fertile; the peasants are of Ruthenian origin; the traders in town and village are generally Jews. It is from this district, which is not often visitive deby the English, that the Radziwillow. Wednesday afternoon there was a ball game between the regulars and the picked team from the state comed by the English, that the Radziwil family, one of whose family was mar-

ried recently, takes its name. The Radziwill country, the border-land along which two empires have ebbed and flowed, does not at first at the barracks of the Eighty-eighth company, given by them, the music for which will be by the band with the seem very attractive to the casual traveler, but those who have lived there and have learned something of the racial strife-that has long divided the district and that still divides it are not long in finding that it exercises a subtle fascination over them. Yet a subtle fascination over them. it would fail them to put this fasci-nation into words or to analyze the sentiments of which it is made up.— London Globe.

To Redeem Swamp Lands.

The Georgia legislature is to provide for reclaiming 4,210 square miles of swamp land in that state. It is realized here for the past three weeks, belonging to the construction gang of the Central Vermont railway, has left town, after finishing a new tank that holds 50,000 gallons of water and rethat a vast domain of 2.694,400 acres is lost to the productive resources of that state, and that the possibilities that following non-commissioned officers. Sergis. Anderson. Bossey and Ortmann. Corporals Day, Brown and James. Private Shipley was appointed by the Judge to defend the prisoner.

The court convened at 9.30 and after the charges were read, the prisoner pleaded guilty to the charge of losing hils rifle, but denied taking the other rifle that was found in his squad box. After hearing all the evidence proand con and the witnesses being cross examined, both by Judge Advocate Gorman and Private Shipley, the case was submitted to the entire court. After due consideration, the court found resentatives from that section to pro-mote reclamation by drainage with the was submitted to the entire court. Alter due consideration, the court found the prisener not guilty on the second charge; the sentence imposed by the court was a fine and extra duty, the same to consist of scrubbing the boilers and other cooking utensils for the rest of the tour of the Third and Thirteenth companies same activity and success that western representatives have advanced reclamation by irrigation. Thus there is no end to the things which the federal government is to be asked to do.—Springfield Republican.

An Indiana Bass Pond. Because he was refused permission to fish in the Panhandle gravel pit, five miles west of Logansport, a farmer who lives near by turned the course of the ditch which supplies the pit with water and Albert Gallion, deputy with water and Aibert Gallion, deputy state game warden, acting on instructions of the state game commissioner, has been seining the pond. Yesterday he took out 3,500 small mouthed bass which weighed from one to four pounds, and these with others to be seined, will be placed in Lake Olcott, eight miles northwest of here.

The gravel pit was stocked by the government with small mouthed bass three years ago with the understand.

three years ago with the understand-ing that no fishing be permitted for three years.—Indianapolis News. They'll Learn. With two doctors in command of our army, the soldiers will probably learn to take their midicine.—Omaha

RADIANT HAIR

Nothing keeps a woman youthful more than close attention to the hair. Any woman whose hair is dail, faded or lusterless cannot be either heautiful or attractive.

Dull hair casts around its owner an environment of stupidness, while the woman with brilliant, lustrous and luxuriant hair, though she may be far inferior in intellect than her dull haired sister, carries off the honors because of her resplendent hair.

In Paris, where plain women know how to make and keep themselves beautiful, the great hair dressing called Parisian Sage is much in demand.

And since the introduction of Paris And since the introduction of Partisian Sage into America, over three years ago, society women in all the large cities have learned that the easiest, quickest and surest way to turn lifeless, dull and unattractive hair into brilliant, lustrous and luxuriant hair, is to use Parisian Sage.

Parisian Sage is sold by leading druggists in every town in America and by The Lee & Osgood Co., who sugrantees it to cure dandraff, stop Beetham of Vergasor Hill.
